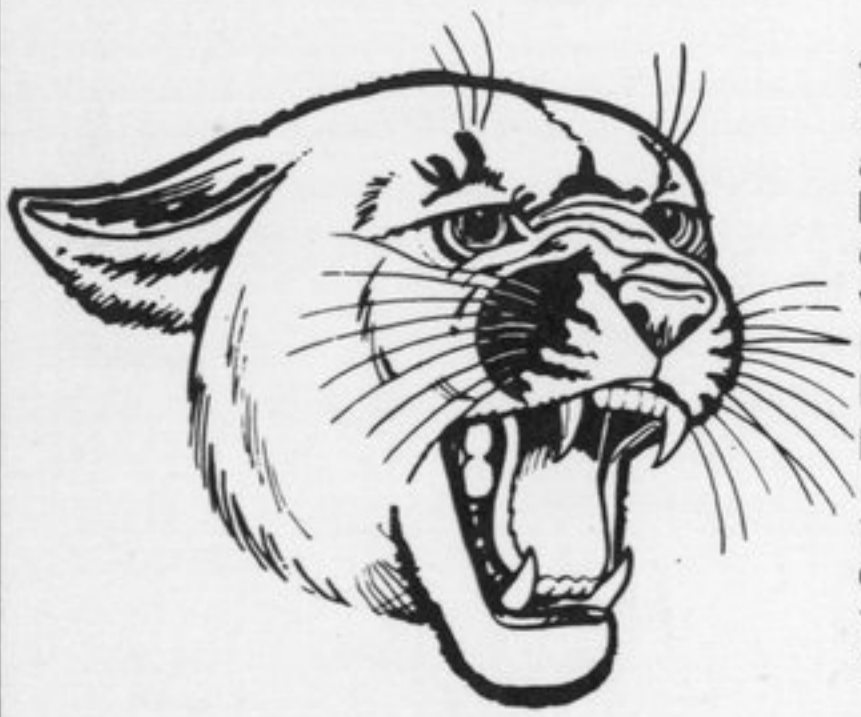
Why Panthers



The Panther (felis concolor) was adopted as the University of Pittsburgh's mascot at a meeting of student and alumni leaders in the early autumn of 1909. According to George M. P. Baird, '09, who made the suggestion, it was chosen for the following reasons: (1) the Panther was the most formidable creature once indigenous to the Pittsburgh region; (2) it had ancient, heraldic standing as a noble animal; (3) the happy accident of alliteration; (4) the close approximation of its hue to the old gold of the University's colors (old gold and blue), hence its easy adaptability in decoration; and (5) the fact that no other college or university then employed it as a symbol.

1971 Outlook:

A New Ballgame

It will be a whole new ballgame for Pitt in 1971. A new offense. A new defense. And, a relatively young, new team that will tackle a tough, new schedule.

A total of 21 lettermen (including 11 starters) return from last year's improved 5-5 team that had a 5-1 record until a hugh rash of costly injuries wiped out the Panthers. Coach Carl DePasqua will also have a strong array of 32 scholarship sophomores who will combine with the vets in an effort to give Pitt its first winning season since 1963.

"This should be an exciting and challenging year," DePasqua says about his third campaign as Pitt's boss. "We're going to a multiple offense this year because I think we finally have the quarterbacks that can do it. We have a strong group of sophomores to go along with a fine nucleus of veterans."

Much of the attention this spring centered on the offense where DePasqua installed a multiple offense that included the triple option and the pro set. Pitt also switched to the 5-2 defense instead of the 4-3 used the past five years.

"We're going to have a multiple offense this year because I think we finally have the quarterbacks that can do it."

For the first time in several years, Pitt appears to have depth at quarterback to run a multiple offense. Last year's alternating first-team signal callers, senior Dave Havern and junior John Hogan, return to go along with two big sophomores—Bob Medwid (6-2, 190) and Rod Huth (6-2, 220). Three other quarterbacks, junior Tom Hasbach and sophomores Bob Veillette and Dan Rullo, have been switched to defensive backs.

Going into fall camp, Hogan appears to be the #1 quarterback, but it's still a close enough race that any of the candidates could win the job. Hogan is a picture-passer, a qb who is more at home running the pro-set dropback style. He is considered one of the finest passing quarterbacks at Pitt in a number of years.

DePasqua faces a major reconstruction job in the offensive backfield.

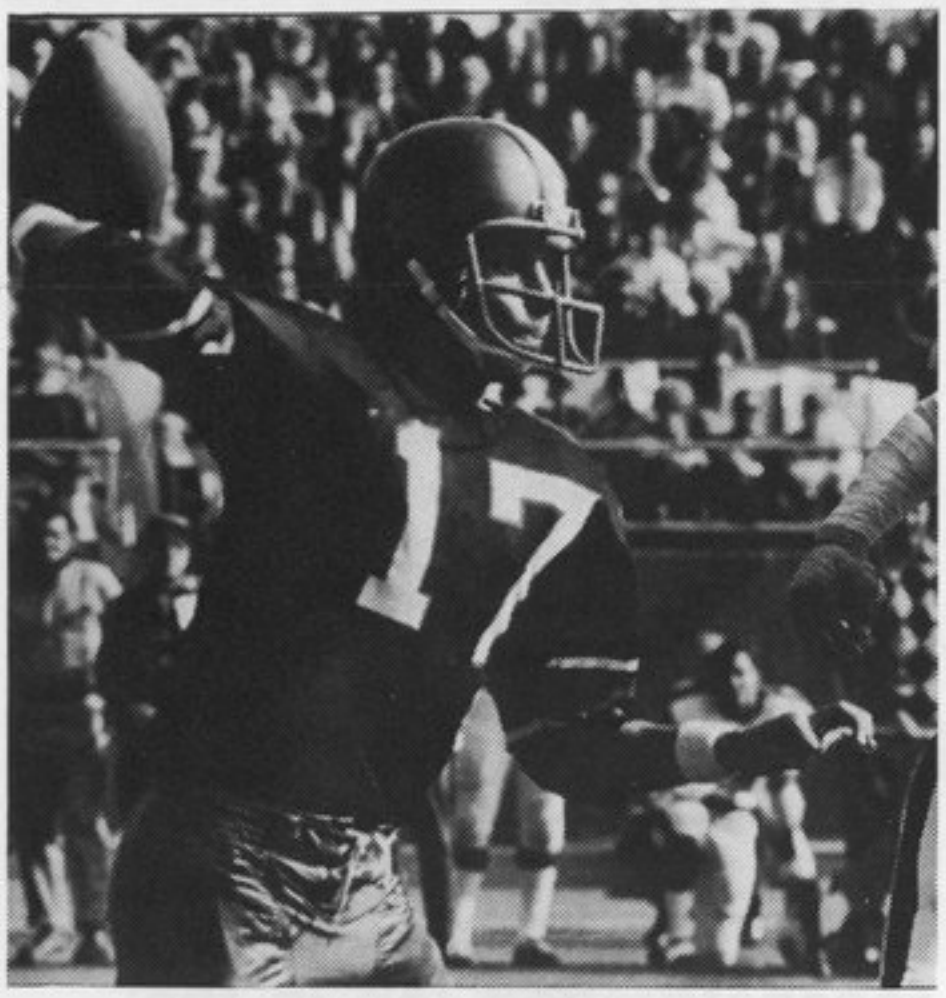
On the other hand, Havern and Medwid appear to favor the triple option, roll-out style of play. Both, also, have fine arms, but like to run the ball more than Hogan. Huth was injured much of spring practice, but appears to be more of a dropback quarterback.

Hogan and Havern both completed better than 50 per cent of their passes last year. Havern hit on 60-106 (56.6)) for 638 yards and three touchdowns, while Hogan connected on 72-140 (51.4) for 801 yards and three TDs.

In the rest of the offensive backfield, DePasqua faces a major reconstruction job. The seventh and eighth all-time leading rushers in Pitt history, halfback Dennis Ferris and fullback Tony Esposito, are gone along with their backups, halfback Dave Garnett and fullback Phil Sgrignoli.

Senior John Moss (22 carries for 77 yards) could be one of the East's better backs despite his lack of experience. At fullback, a dog fight is brewing between junior Lou Julian and sophomore Paul Felinczak. Pressing them in the backfield are sophomores Clair Wilson, Stan Ostrowski, Bill Englert and John Chatman.

A Familiar Scene



Dave Havern throws . . .

. . . and Steve Moyer catches

Pitt appears well stocked with exceptionally fine pass receivers. Seniors Steve Moyer and Joel Klimek are returning starters who'll be backed by senior Doug Gindin and sophomores Jim Stein and Leslie Block. In two years, Moyer has caught 80 passes for 749 yards and 3 TDs and is within range of a number of all-time Pitt receiving records.

Klimek, who many Pitt observers compare favorably with former All-American Mike Ditka, is a Viet Nam war hero who returned last season for an outstanding campaign. In addition to being a tough blocker, Klimek caught 28 passes for 329 yards and 1 TD.

Five starters return on defense, but there are a number of big questionmarks.

On the rest of the offensive line, there is strength up the middle but no experience at all at the vital tackle spot. Starters return at center in Bob Kuziel (6-5, 241) and at guard in John Simpson (6-1, 244) and Dan Lynn (6-1, 215). Two sophomores, Dave Blandino (6-3, 225) and Dave Wannstedt (6-5, 234), and junior Ernie Webster (6-4, 231) will battle for the two tackle spots.

On defense, there are a number of questionmarks. Five starters return, but the big question is, can several key performers who were injured last season stay healthy this year? There is precious little depth on the defensive corps, and a rash of injuries like last year would be a deathly blow.

Returning starters from last year are end Hank Alford (6-6, 230), tackle Howard Broadhead (6-4, 260), linebackers Joe Carroll (6-1, 219) and George Feher (6-1, 207) and halfback Reggie Frye (6-0, 182). Three key performers who once were starters but were injured most of last season are linebacker Ralph Cindrich (6-1, 225), middle guard Jack Dykes (6-1, 235) and halfback Mike Bannan (6-1, 191).

Boiled down, it appears Pitt will be able to field a strong starting team. The schedule is one of the most demanding in Pitt history, though, and if the injury bug hits, there could be deep trouble.

Prospectus Rundown

Spring Game

The Golds, composed mostly of offensive first-teamers and defensive second-teamers, defeated the Blues, 33-18, before 3,245 spectators in sunny and windy Pitt Stadium. Sophomore Bill Englert led all rushers with 64 yards on 14 carries and caught four passes for 83 yards. Junior quarterback John Hogan threw three touchdown passes for the Golds, while senior Dave Havern threw one for each team and sophomore Bob Medwid connected once for the Blues. Coach Carl DePasqua called the game "ragged", but said he was generally pleased with the 20-day spring session.

†Dykes was a regular in 1970 until suffering a knee injury in the third game against Kent State. He missed the remainder of the season.

1970 Season in Review

(All leads written by Russ Franke of the Pittsburgh Press)

UCLA 24, Pitt 15

PITTSBURGH, Pa., Sept. 19—Pitt found a star and lost one yesterday at Pitt Stadium, but the important thing was that the Panthers lost the game to UCLA, 24-15. They lived up to their pre-season billing with a vastly improved offensive showing, but this is the big leagues when UCLA is the opponent and in the long run they just didn't have the blocking and tackling to cope with UCLA. The star that Pitt found was its sophomore quarterback, John Hogan of Charleroi. He completed 29 of 47 passes to tie the Pitt completion record set by Dave Havern against Penn State the year before last. The star that Pitt lost was its best player, Ralph Cindrich. Of all the people to lose, it was just the Panthers' bad luck that Cindrich went down on the first play.

Pitt 15, Baylor 10

WACO, Tex., Sept. 26—Pitt kept hammering Baylor with its brigade of strong running backs and some hard hitting by the offensive line last night and the result was a second-half rally that pulled out a 15-10 win over Baylor. It was Pitt's plan to run at Baylor all along, after showing the Baylor scouts a fancy air attack last week against UCLA, first giving the Bears a look at John Hogans's passing in the early minutes.

Pitt 27, Kent State 6

PITTSBURGH, Pa., Oct. 3—Down to their last quarterback, Pitt's Panthers stuck to the ground once again for their knockout punch and went above the .500 mark yesterday for the first time in seven years. Grinding Kent State into the AstroTurf at Pitt Stadium, 27-6, before 20,038 fans, they increased their record to 2-1, the first time a Pitt team has been above .500 since the 1963 club went 9-1. It wasn't easy, however. The underrated Kent team mixed it up with the bigger Panthers physically and was still in the game in the last period. It was 14-6 when Pitt took off on a 73-yard drive that assured the victory.

Pitt 10, Navy 8

ANNAPOLIS, Md., Oct. 10—Most everyone thought that Pitt would have an easy time with a sputtering Navy team yesterday, but the Panthers had to fight for their lives with everything they had in order to pull out a 10-8 win. All fired up for a Homecoming crowd of 23,426, the Middies suddenly stopped making the costly mistakes that contributed to three straight beatings and had Pitt in trouble all afternoon. Pitt was unimpressive, but all that counts is the final figures on the scoreboard. A 22-yard field goal by Joe Spicko in the fourth period saved it, enabling Pitt to win three straight for the first time in seven years.

Pitt 36, West Virginia 35

PITTSBURGH, Pa., Oct. 17—In one of the most unbelievable comebacks in Pitt Stadium's 45-year history, Pitt hammered out four touchdowns in the second half yesterday and pulled out a 36-35 victory over West Virginia in a battle for first place in the East. The Mountaineers had the Panthers down at halftime, 35-8, and there must have been very few people in the homecoming crowd of 44,479 who thought the Panthers had a chance. Pitt did nothing fancy and didn't rely on the long bomb in desperation—the offensive line simply rooted out the holes for grudging yardage and their set of big running backs did the rest. It had to be the most stunning outcome in a series that started in 1895—exceeding West Virginia's 63-48 win in 1965—and it ended WVU's winning streak over Pitt at three.

Pitt 28, Miami 17

PITTSBURGH, Pa., Oct. 24—Thanks to a generous Miami offense and jarring Pitt defense, Pitt is still No. 1 in the East. The Panthers built up a 28-0 lead yesterday at Pitt Stadium and held on for a 28-17 victory, their fifth straight, and it was something of a reversal over last week's sensational comeback against West Virginia, when Pitt lost the first half and won the second.

Syracuse 43, Pitt 13

SYRACUSE, N.Y., Oct. 31—Pitt's dream of an Eastern championship was turned into a nightmare yesterday when Syracuse ran roughshod over the Panthers and ended their five-game winning streak, 43-13. Syracuse shut off Pitt's usually productive running game for the most part and, doing what it does best, clearly out-muscled Pitt. The Panthers had gone into the game as the No. 1 team in the East but could come through with only one sustained drive, near the end of the first half when it appeared they were making a comeback.

Notre Dame 46, Pitt 14

SOUTH BEND, Ind., Nov. 7—Notre Dame needed the big plays to shake loose from Pitt yesterday and the powerful Irish had the perfect man for the job in Joe Theismann. Theismann became the most productive back in Notre Dame history at the expense of the shorthanded Panthers in a 46-14 victory, but it wasn't all that easy. Pitt surprised the sellout throng of 59,075 on a sunny afternoon by taking a 14-13 lead just before halftime. Then, within the space of two minutes and 11 seconds, unbeaten and No. 2 Notre Dame struck for two touchdowns on big plays and regained control.

Boston College 21, Pitt 6

PITTSBURGH, Pa., Nov. 14—Pitt spent most of the afternoon backed into its own territory yesterday, and discovered that this is hardly the path to a winning football season. The Panthers were unable to contain Boston College's bruising running game in the first half and were beaten in frustrating fashion, 21-6. Pitt was favored by a touchdown, but lost for the fourth time, and now the Panthers need an upset victory over Penn State next Saturday to finish with a 6-4 record.

Penn State 35, Pitt 15

UNIVERSITY PARK, Pa., Nov. 21—At halftime yesterday the jokesters were saying that Pitt had a better chance to beat Penn State than the Panthers had against West Virginia. It didn't turn out too much of a joke afterall. Pitt once again won the second half but Penn State had the last laugh with a 35-15 victory, jumping all over Pitt in the first two periods. What someone said at halftime was in reference to the Pitt-West Virginia game. Pitt was behind by 35-8 but came back unbelieveably for a 36-35 win. Yesterday Pitt was behind 35-9—1 point better—but this time there was no way the Panthers could put together the four sustained drives needed for another miracle finish.

Pride of the Panthers

Acclaimed as one of the top precision groups in the East, the 1971 Pitt Varsity Marching Band is set to once again dazzle crowds throughout the country with their high stepping and pounding brass sound.

In addition to performing at all five Panther home games, the 120-piece unit will travel to New Orleans and West Point and give half-time shows for the Tulane and Army games.

To prepare for the coming season, the band goes to their annual fall camp August 29-September 6, being held at Camp Kon-O-Kwee in Fombell, Pa.

New Fall Camp

After a number of years at Allegheny College in Meadville, Pitt will hold Fall pre-season camp at the University's branch campus at Johnstown. The entire squad will report to the Pitt campus on the 18th for physicals, pose for interviews and pictures in Pitt Stadium on the 19th, and depart for the University of Pittsburgh Johnstown Campus the evening of the 19th. The first day of practice at Johnstown will be the afternoon of the 20th (Friday). The Pitt players, coaches and party will be housed in the Hemlock Dormitory. The squad will return to the Oakland Pitt campus on the 31st.

Panthers on TV

Two of Pitt's away games will be carried live on WTAE-TV, channel 4 in Pittsburgh. Plans were not completed at press time, but the two games are expected to be Sept. 11, UCLA; and Nov. 27, Florida State. Both are evening games.

About the System

The Panther will run out of a Pro-Set, using the flanker as a receiver. They will also make use of the triple option, with the quarterback and two running backs sprinting out—all three a threat to carry the ball.

Defensively the Panthers have gone to a 5-2 alignment with a middle guard playing over the center, two linebackers, and a 4-deep secondary.

'The Pitt Panther Is Back'

The 1970 season brought many thrills to Pitt fans, and the Athletic Department has captured these moments in a 30-minute color highlights film. Including the key plays from all ten of the games, the film features one of the most exciting comebacks in college football history—Pitt's dramatic win over West Virginia.

Entitled 'The Pitt Panther Is Back', it is narrated by nationally known sportscaster, Ray Scott. The film is available for showing to groups of 25 or more. A fee of $5 is being charged for postage, handling and insurance. If it is picked up at the Field House, there is no charge. Persons interested in securing this film should contact: Pitt Highlights Film, Athletic Department, University of Pittsburgh, Pittsburgh, Pa. 15213. Or call (412) 683-2800 x213.

Old Ironsides

The Pittsburgh Junior Chamber of Commerce annually honors the winner of the Pitt-Penn State-West Virginia rivalry with Old Ironsides, a huge, three-sided trophy. Penn State has retained the trophy the last five years by defeating both Pitt and West Virginia, and in the last decade the Lions have won it 8 out of ten times. The last time the Panthers took it home was in 1963 when Pitt was 9-1 and ranked #2 in the country.

CARL A. DePASQUA

Head Football Coach

Carl DePasqua never promised miracles. Only fundamentally solid football—football that would restore Pitt's tarnished gridiron image.

"I won't make any predictions but I promise you this. We'll play fundamentally sound football. We'll know how to block and tackle. We'll do our talking on the field," that is the way DePasqua put it when he was hired in January of 1969.

In two short years, DePasqua has fulfilled that pledge.

On paper, the progress might not seem spectacular—4 - 6 in 1969 and 5 - 5 in 1970. But in football circles, among people who knew the Pitt story, it was unqualified success.

It is hard to imagine any football coach who took a job under more difficult circumstances. A national sports magazine had headlined the story, " Doesn't Anybody Here Want This Football Job?"

Pitt, once a power in major college football circles, had reached an all-time low. In three years the Panthers had lost 27 of 30 games, most of them by unbelievably large margins.

Three 'big name' coaches were offered the job, but turned it down. Pitt then turned to one of its own—alumnus Carl DePasqua. The task was monumental but nothing that hard work and fundamentally sound football couldn't cure. In his first year, DePasqua immediately made the Panthers respectable again with a 4 - 6 record that included wins over Eastern rivals Syracuse, Army and Navy.

Last year Pitt compiled its first non-losing season since 1963, and the story could have been even better. At one point the Panthers were 5 - 1, Number One ranked in the East and listed in the nation's Top Twenty for the first time in seven years. Then a rash of serious injuries to key personnel cut short the dream. But one thing was evident—Pitt was back in big-time football.

Pitt's 26th head coach has been a prominent name in the Tri-State coaching circles since he joined the Pitt staff as a defensive backfield coach in 1958. A man familiar with the area and the University, he is regarded as an astute observer of the game and a sound, fundamental coach.

DePasqua is the seventh former Panther player to return to his alma mater as the head coach. An outstanding Pitt back from 1946-49, he played under Wes Fesler (1946) and Mike Milligan. Coming to Pitt from Williamsport High School where he

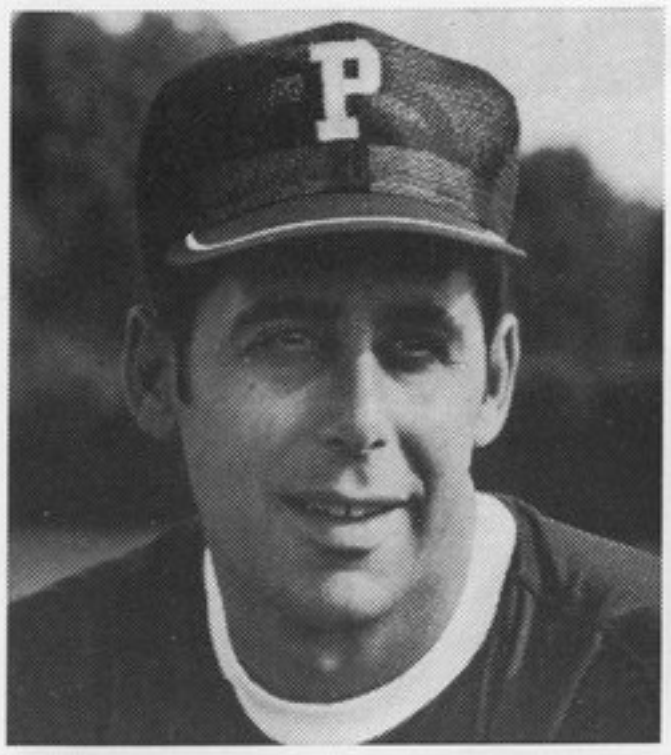
captained both the football and basketball teams to brilliant records, DePasqua was a starting quarterback as a freshman, a halfback as a sophomore, and then a fullback on two winning teams as a junior and a senior. All this while weighing only 160 pounds.

Following graduation from Pitt in 1950, DePasqua spent two years in the Army and then returned to Pitt to earn a Master's degree and coach part-time. He coached in Canada in 1955, went into the pizza business in Pittsburgh for two years, and then joined John Michelosen's Pitt staff in 1958. (His players now sometimes fondly refer to him as the 'Pizza King'!)

After eight years as a defensive specialist on the Pitt staff, DePasqua was named head coach at Waynesburg (Pa.) College in 1966, where he produced two of the finest small college teams in the nation. In two years his teams lost just once (17 - 1) while winning the NAIA championship his first year and losing 7 - 0 to the eventual national champions his second season. His clubs at Waynesburg broke nearly all the school records on the books.

From Waynesburg, DePasqua gained valuable experience on the professional level by joining the Pittsburgh Steeler staff in 1968 as the defensive line coach.

A resident of Pittsburgh, he and his wife, Catherine, have two children—Dana, 14, and John, 6. DePasqua was born October 28, 1927.



LOU 'BIMBO' CECCONI
Offensive Coordinator

The first man Carl DePasqua named to his staff was Lou 'Bimbo' Cecconi, a former great Pitt player and a Panther coach for eight years. He played in the same Panther backfield as DePasqua from 1946-49. He is 42.

A 1946 graduate of Donora High (Pa.), Cecconi was one of the top all-around athletes in the school's history. He won 11 letters in football, basketball, baseball and track, and was named all-WPIAL in both football and basketball. As a quarterback he led his team to an undefeated season and the WPIAL championship, and in basketball to the State finals.

From Donora he moved to Pitt where he starred, winning eight letters in football and basketball. A four-year regular in football as a quarterback and halfback, he captained the Panthers his senior year. He was named an All-East halfback his senior year, and played in the North-South game. In addition, he won the Dapper Dan Outstanding Player Award in 1948 and 1949.

A 1950 Pitt graduate, he began his coaching career immediately following graduation as an assistant coach at Donora High. Following two years in the Army, he was named head football, basketball and baseball coach at Sharpsburg High where his grid team compiled a 27-10-10 mark in five years.

In 1958 he was named an assistant coach at Pitt and he served John Michelosen's staff as freshman coach, backfield coach and offensive coach from 1958-65. For three years he served as offensive coach at Indiana State of Terre Haute (Ind.) where his offense averaged over 30 points per game.

Married, he and his wife, Vilma, have five children—Louis, 19; Anne, 17; Paula, 16; Mary 14; and Virginia 13. Lou is a football player at Pitt.

SERAFINO 'FOGE' FAZIO
Defensive Coordinator

A former outstanding Pitt player, Serafino 'Foge' Fazio adds a fine blend of youth and experience to the Panther coaching staff. He is 32.

A native of nearby Coraopolis, Fazio was an all-WPIAL center and linebacker at Coraopolis High School. Moving to Pitt, he was the Panther's starting center in 1958 and 1959, winning the MVP Award his senior year in addition to being named to the All-East squad and honorable mention All-American. He also was chosen to play in the North-South Game and the All-American Bowl.

A fifth-round draft choice of the Boston Patriots, he decided on coaching instead of playing and started his career as an assistant coach at Coraopolis High in 1962. He left Coraopolis for two years to take the job as defensive coordinator at Ambridge High School (Pa.), but returned in 1965 as head coach. In two years at his alma mater his teams compiled a 13-4-1 record while winning the Ohio Valley Conference championship.

In 1967 Fazio moved to the college coaching ranks as offensive line coach and head freshman coach at Boston University. His Boston frosh were 5-1.

In 1968 Fazio was the defensive line coach at Harvard, a team that tied for the Ivy League Championship with an 8-0-1 mark. Defensively, the team ranked third in the nation against scoring, and 13th in the country in total defense. He came to Pitt in 1969 and assumed the head defensive duties this past spring.

Married, he and his wife, Norma have two children—Kristen, 3; Vicent, 1.

ERNIE HEFFERLE
Offensive Line

A former assistant coach at Pitt for 12 years, Ernie Hefferle returned to coach the Panther line in 1970 after spending four years as offensive line coach of the Miami Dolphins.

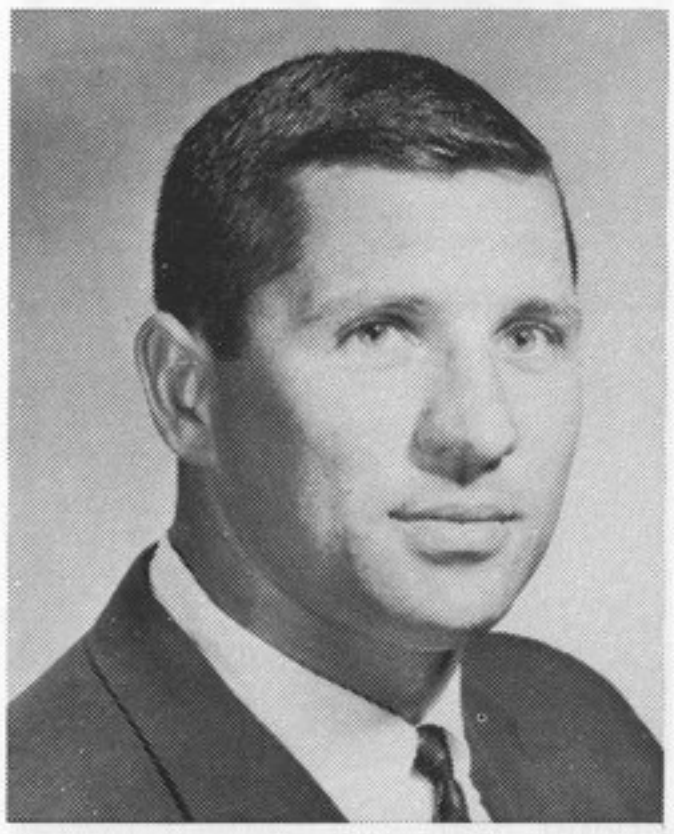
Hefferle, who has the reputation of turning out the finest ends in Pitt history, brings to Pitt a wide range of experience on both the collegiate and professional level. A former Duquesne University end, Hefferle holds the Orange Bowl record for the longest pass reception when he beat Mississippi State in 1937 with a 69-yard pass catch. He began his coaching career at South Huntingdon Twp. (Pa.) where he had a four year record of 25-10-4, and then moved on to Tarentum High School for two seasons.

Hefferle began his association with Pitt in 1951 when he was named freshman coach. The next season he moved to the varsity staff as end coach where he produced such All-Americans as Joe Walton, Mike Ditka and 'Mean' John Paluck.

In 1960 Hefferle was named head coach at Boston College where he served for two years and then returned to Pitt as offensive line coach from 1962-64.

Hefferle jumped into the pro ranks, joining the Pittsburgh Steelers as offensive line coach in 1965. He was named offensive line coach of the Miami Dolphins in 1966 and served there through the 1968 season.

A native of Herminie, Pa., Hefferle has a Masters in Education from Pitt in addition to his B.A. Degree from Duquesne. Married, he and his wife Betty have three daughters—Vonnie and Cheryle, both married, and Jean, 20. He is 56.



RALPH JELIC
Defensive Backs

A standout fullback-halfback on Pitt's Sugar Bowl and Gator Bowl teams in 1955 and 1956, Ralph Jelic returns to his Alma Mater with a wealth of coaching experience on the college level. He was named to the Pitt staff this past spring.

Graduating from Pitt in 1958, Ralph spent a year as assistant football coach at Canon-McMillan Joint Senior High School, and another season at Snowden High. In 1961 he went to Lehigh University where he was in charge of ends and linebackers on a team that went 7-2 and won the Lambert Cup.

Two years later he moved to Boston University and became defensive coordinator along with linebacker and backfield coach. In 1968 he took another step upward and was named defensive coordinator at Harvard University, where his team went undefeated (8-0-1) and was ranked fourth in the nation in fewest points scored against, and seventh in the nation in pass defense.

In 1970 he coached Harvard's defensive backs and the Crimson were ranked tenth in the nation in pass defense. During his stay at Boston University he coached Bruce Taylor, the NFL Rookie of the Year last season.

Married, he and his wife, Cynthia, have three children—Jeffrey, 9; Christopher, 7½; and Jane Ann 3½.

PAUL KEMP

Linebackers

A native of Waterloo, Iowa, Paul Kemp was appointed linebacker coach at Pitt after a highly successful coaching career in the West on both the collegiate and professional level. He is 39.

As a player, Kemp lettered three years as a quarterback at the University of Iowa. Following graduation from Iowa in 1954, he was named head coach at North Dakota State Teachers College in Dickinson, N.D. In one year there, his team compiled a 6-2 record.

In 1957 Kemp was named an assistant coach at Ball State, and in 1958 he moved to the staff at Arizona State as offensive coach. In his nine years there, Arizona State won over 80 per cent of their games.

In 1967 he moved to Iowa State as offensive coach, and then gained valuable experience on the pro level as a talent scout for the Atlanta Falcons.

Although he has never coached in the East prior to coming to Pitt, Kemp is no stranger when it comes to football players from Pennsylvania. In his nine years at Arizona State he recruited numerous players from the talent-rich Pennsylvania area.

Married, he and his wife, Beth, have three children—Michelle, 16; Melinda, 14; and Melissa, 8.

STEVE PETRO

Defensive Tackles

A familiar face on the football scene at Pitt for the last 18 years, Steve Petro is the experienced veteran on the Panthers staff.

Coming to Pitt from Johnstown High School (Pa.), Petro played three years as a guard from 1936 through 1938. His first starting assignment was in the 1937 Rose Bowl when Pitt dumped Washington, 21-0. In his three years at Pitt, the Panthers compiled a 23-3-2 record against the best competition in the country.

Following graduation from Pitt he played two years of professional football for Brooklyn, while working for Bethlehem Steel Corporation. He entered the service in 1942, serving first with the Air Force and then in Intelligence. During his years in the Service, he also took time out to play football.

Upon his return to civilian life, Petro went back to the Steel Industry, serving as line coach in the Pennsylvania Professional League from 1947-48 during his evening hours. A volunteer helper during Pitt's 1950 Spring drills, he was named junior varsity coach in the Fall. In 1951 he moved to the varsity as assistant line coach, and from 1954-57 he was Pitt's freshmen coach. He was moved back to the varsity staff in 1958.

Married, he and his wife, Winifred, have five children—Linda, 23; Mary Beth, 20; Lorraine, 16; Pamela, 12, and Steve, Jr., 11. The Petros live in Baldwin Borough.

BILL QUINTER
Receivers
HEAD FRESHMAN COACH

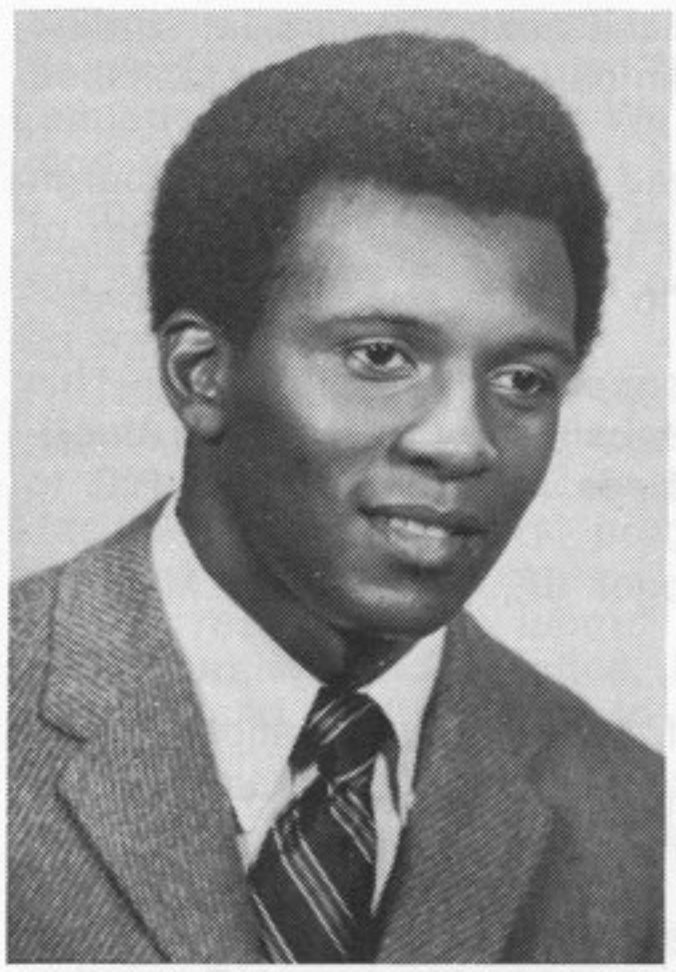
A dynamic, young coach with a solid football background, Bill Quinter has proven highly successful in molding Panther freshmen and establishing an excellent rapport with the players. He is 32.

A native of Wheaton, Md., Quinter was a three-year letterman at the University of Indiana as an offensive and defensive end. Following graduation from the Big Ten school in 1962, he played five years of professional football in the Canadian League with the Ottawa Roughriders. In 1967 he was on the taxi squad of the Atlanta Falcons.

He began his coaching career in 1968 as offensive line coach at Indiana State of Terre Haute. There, he worked with an offense that averaged over 30 points per game.

In addition to coaching the Pitt freshmen, Quinter is responsible for handling the Panther varsity receivers. He joined the Pitt staff in 1969.

Married, he and his wife, Sally, have two boys—Bill, Jr., 7; and Jason, 3½.

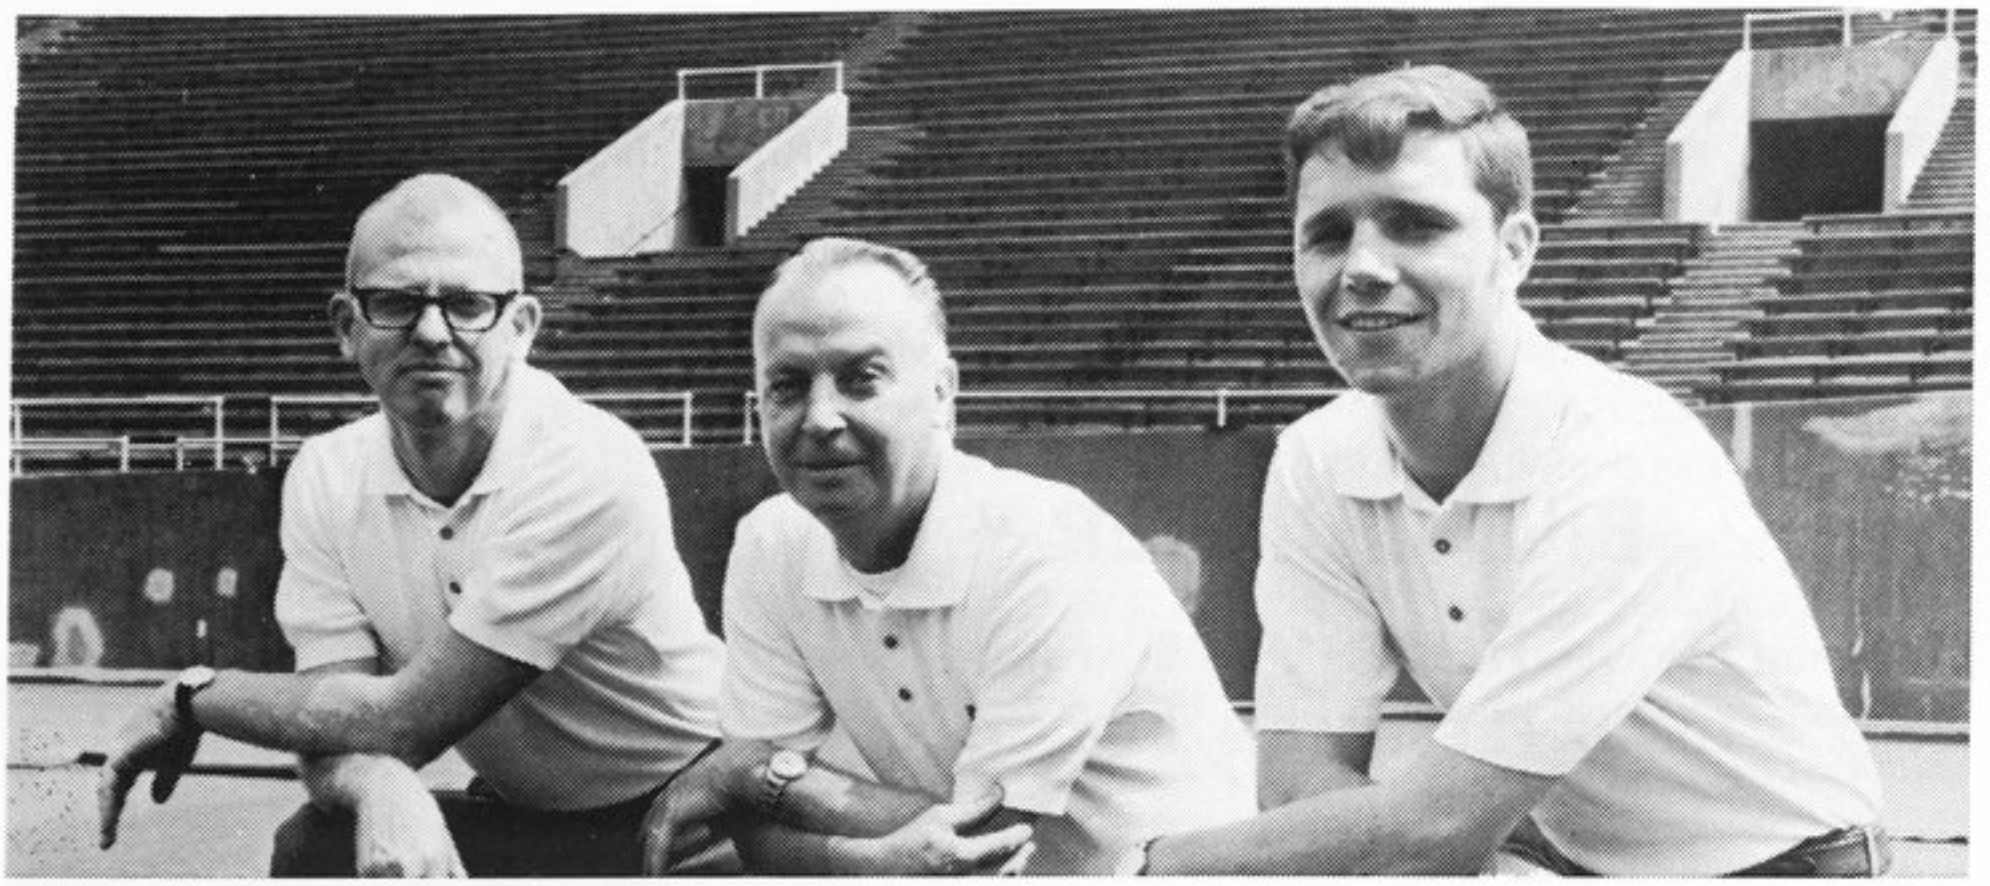


WARREN SIPP
Offensive Backs

A former Big Ten standout, Warren Sipp joined the Pitt coaching family in 1970 and will handle the offensive backs this season. He is 25.

A native of Akron, Ohio, Sipp was a three-year letterman at Akron North High School where he was named All-City, and All-District fullback. He went on to Michigan where he was a two-year starter and a three-year letterman at fullback and tight end. He was named honorable mention All-Big Ten fullback.

In addition to his coaching duties, Sipp is a full-time instructor in the Center for Development of Activity Programs for the Exceptional. A 1969 graduate of Michigan, he has a Bachelor Of Science degree in Education.



Pitt Football Trainers L-R: Willie Myers, Head Trainer; Roger McGill, Associate Trainer; John Spiker, Assistant Trainer.

They Care for the Pitt Athletes

A vital part of the Panther athletic organization, but toiling almost unnoticed behind the scenes, are the Pitt trainers. Pooling the experience of 37 years in athletics, Pitt has a three-man staff that is considered second to none in its medical proficiency and ability to keep the Panther players healthy.

G. Wilson Myers has been the head Pitt trainer for the past four years and has been working with athletes for the last 14. A 1957 graduate of Penn State, 'Willie' worked as a student trainer for 3½ years and upon graduation moved up to assistant trainer, a position he held for eight years, interrupted only by two tours of military duty.

He came to Pitt in 1965 as an assistant trainer to Howard Waite and moved into the head position in the fall of 1967. He is 37.

Married, Willie and his wife, Jolinda, have one son—Chris, 2.

Roger McGill's association with Pitt goes back to 1946, both as a student and trainer. He graduated from Pitt in 1950 after three years of varsity baseball, serving as President of the Physical Education Club, and presiding as President of Kappa Phi Kappa, the honorary education fraternity.

Upon graduation he joined the faculty as an assistant trainer, but continued his education and received his Masters in Education in 1951. During the next 12 years he studied corrective and adaptive therapy, logged more than 500 clinical hours, and established the first adaptive course at Pitt.

In 1963 he moved to professional sports, becoming head trainer for the Pittsburgh Steelers, attending to the Pittsburgh Pirates in spring practice, and handling a number of pro basketball teams when they visited Pittsburgh. He also served as President of the Eastern Athletic Trainers Association.

Roger returned to Pitt in 1968 as Associate Trainer and supervisor of equipment. This past summer he served as trainer for the United States baseball entry in the Pan American Olympic Games in Cali, Columbia. He is the first trainer in the history of Pitt to receive such honor.

Married, he and his wife, Ethel, have four children—Roger Jr., Keith Alan, Michele, and Brian Douglas.

John Spiker is the "rookie" on the Pitt training staff, but his qualifications speak for themselves. A 1969 graduate of West Virginia, he worked as a student trainer under Olympic trainer, A. C. 'Whitey' Gwynne, and handled the basketball, wrestling, track, and baseball teams.

He came to Pitt in 1969 to continue his schooling and as an assistant trainer worked with the football, wrestling, and track squads. He will receive his Master of Education degree during the 1971-72 school year in Physical Education.

Married, he and his wife, Sabra, have one daughter—Heather, 1.

DR. WESLEY W. POSVAR
Chancellor

In four short years since his appointment as chancellor of the University on June 1, 1967, Dr. Wesley W. Posvar has properly gained the reputation as Pitt's Number One sports fan. This image has spread throughout the city of Pittsburgh and this fall Dr. Posvar will be honored as "Sportsman of the Year" by the Allegheny County Civic Sportsmen's Association.

A former athlete and a firm believer in intercollegiate sports within the framework of the academic structure, Dr. Posvar has attended all but one Pitt football game in four years and is a frequent visitor to practice and other athletic functions. He is also a believer in winning, and has pledged to give Pitt a solid athletic program.

"Academically," Dr. Posvar told a group of sportswriters on one away trip, "Pitt is one of the finest universities in the country. That's a fact and we mean to keep it that way. But let me tell you something—we're going to have sports teams to match, and that goes for every sport, starting with football and working down the line. That's a pledge."

His sincere efforts to build a winning football program at Pitt have not gone unnoticed by the football players. Following Pitt's 1969 46-19 victory over Navy, the players presented the game ball to him in a noisy locker room celebration. He considers it one of his prized possessions.

A former Rhodes Scholar and Chairman of the Social Sciences Division at the Air Force Academy, Dr. Posvar is Pitt's 15th chancellor. A holder of five academic degrees, his scholarly achievements have gained him national attention.

Dr. Posvar graduated first in his class from West Point in 1946, achieving one of the highest grades in the Academy's history. He subsequently was a Rhodes Scholar at Oxford University from 1948-51, receiving both his B.A. and M.A. in Philosophy, Politics, and Economics. He also earned the Master of Public Administration and the Ph.D. in political science from Harvard in 1964.

CASIMIR J. MYSLINSKI
Athletic Director

It didn't take long for Casimir Myslinski to live up to his word.

At his first press conference after being named Athletic Director at Pitt on December 24, 1968, Myslinski made one lasting impression. He intended to win.

"My entire aim is to bring the athletic program back to the heights it deserves," Myslinski told the assembled sports media representatives. "And, I don't just mean football; I mean all sports. There's no doubt about it, Pitt athletics belong on top. We intend to be major league, and we intend to win."

In his first full year as AD, Myslinski fulfilled his pledge. That year Pitt completed its best athletic season in the last 11 years, and its first winning year since 1962-63. The Panthers compiled a mark of 81-63-2 in 13 sports, a winning percentage of .563, the best at Pitt since 1958-59.

This past season the Panthers continued their winning ways with a 77-71 slate, the first time in 12 years that Pitt has put together back-to-back winning seasons.

Showing a strong concern for all students, Myslinski has greatly expanded Pitt's athletic facilities and intra-mural program, and made an all out effort to improve student attendance at all athletic events.

The results of his labors include Astro-Turf in The Stadium which can be used for intra-murals, band practice, ROTC, or simply sunbathing by the entire university community, and shuttle buses to take students to and from all athletic events.

Following graduation from West Point in 1944, he entered the Air Force. In 1952 he returned to West Point as Deputy Head of the Department of Physical Education, and moved from there in 1956 to Head of the Department of Physical Education at the United States Air Force Academy in Colorado.

Myslinski captained the 1943 Army team and was named to every first-team All-American squad at center. He graduated from Army in 1944 with a B.S. in engineering and subsequently earned a Masters in Education from Teachers' College, Columbia University.

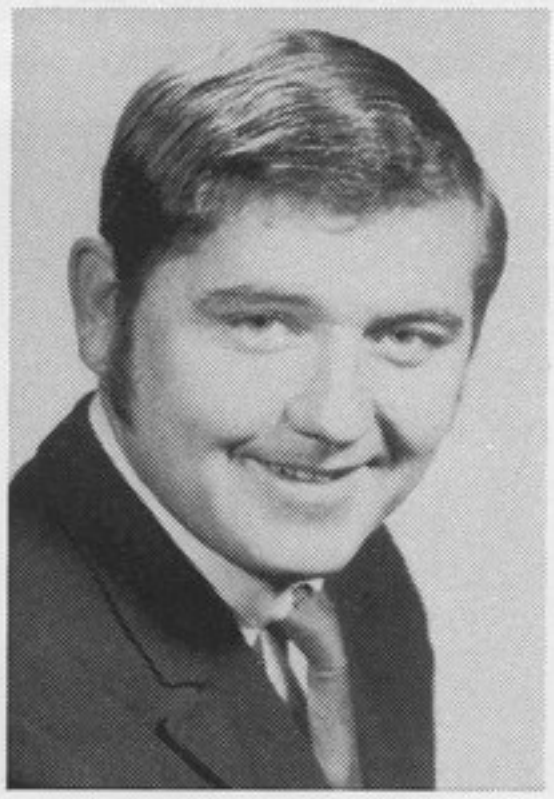
Born on March 6, 1920 in Steubenville, Ohio, Myslinski and his wife, Eleanor, have four children—Linda, 21; Patricia, 20; Michael, 17; and Dorothy, 15.

Voice of the Panthers

A three-man broadcasting crew that is nationally known, yet Pittsburgh oriented, will handle all the Pitt football games this Fall over WTAE Radio (1250). The games will also be carried throughout the State on a 20-station network with WTAE acting as the parent station.

Ed Conway, the Sports Director of WTAE-TV, will be in his second year as play-by-play man. He will be assisted by Bill Hillgrove, WTAE music and sports personality, and Myron Cope, well-known both nationally and locally as author and radio-TV commentator. Hillgrove will aid Conway as the color commentator, while Cope will handle halftime commentaries.

Conway, who has been sports director of WTAE-TV since 1961, is one of the most popular and most familiar sportscasters in the Tri-State area. A native of Baltimore, Md., Ed began his career in 1953 as sports director of WORK, York, Pa. Since joining WTAE he has done play-by-play on Pittsburgh Penquin hockey broadcasts, the annual PIAA state basketball championships, and has produced several award-winning sports specials on the Pirates, Steelers and annual PGA golf tournaments.



Hillgrove will also be in his second season on the football broadcasts after handling the play-by-play of all Pitt basketball games the last two years. He has parlayed an extensive knowledge of sports and several years of broadcast experience into a highly successful music/sports program heard daily from 4 to 7 p.m. He holds a bachelor's degree in radio/TV journalism from Duquesne University.

A life-long Pittsburgh resident, Cope is well known both nationally and locally. In addition to being sports director of WTAE Radio, Cope is one of Sports Illustrated's six-man team of special contributors. He is the author of three books—Jim Brown's "Off My Chest," "Broken Cigars" and "The Game That Was." A 1951 Pitt graduate, he worked in newspapers and as a free-lance writer before entering the radio/TV field in 1968. His "Myron Cope on Sports" show is heard three times daily on radio, and he does an additional three TV commentaries per week. Among numerous professional awards, Myron holds the 1964 E. P. Dutton Prize for "Best Magazine Sportswriting" in the nation. He was named Pittsburgh's Outstanding Sportscaster this past year.

Pitt Stadium — Home of the Panthers

It's a 'New Look' Pitt Stadium. Last year the University completed the installation of an Astro-Turf playing surface and a 440-yard all-weather Tartan track. In addition, the inside wall was trimmed in Pitt's Blue and Gold colors.

The deep green Astro-Turf contrasts sharply with the brick red Tartan track to give Pitt Stadium an eye-catching appearance.

This investment in artificial turf should amortize itself in reduced maintenance costs in a few years, and will improve and extend the utility of Pitt Stadium many times over.

With a seating capacity of 57,331, Pitt Stadium is generally considered one of the finest spectator viewing stadiums in the East. Every seat in the oval shaped stadium is a good one for viewing football.

Opened in 1925 at a cost of $2,125,000, the stadium originally seated 67,000. Various seats were taken out to provide better access to all of the seats. The stadium plant itself encompasses 10 acres with an outer circumference of one-half mile. Besides the football field, facilities include a band room, a 440-yard track and dressing rooms.

The first game was played in 1925 when Pitt defeated Washington & Lee, 28-0. During the next four seasons, the Panthers played 30 of their 34 games in the stadium. The single-game attendance record was set in 1938 when 68,918 fans jammed every corner of the Stadium to see Pitt top Fordham, 24-13. The one-season attendance record was set in 1956 when 239,718 people watched the Panthers in five games. The average game attendance of 47,944 is also a Stadium record.

Game Notes: This is UCLA's longest intersectional football rivalry . . . The Bruins have won the last six meetings and hold an 8-4 edge in the overall series . . . In last year's game the Panthers jumped out to a 15-10 halftime lead, but a costly penalty that nullified a touchdown and a Pitt fumble, allowed UCLA to walk off with a 24-15 victory. In that game quarterback John Hogan riddled the Bruin defense with 29 completions for 299 yards and 1 TD. The defense also did a good job with linebacker Joe Carroll making 12 tackles.

Pitt split end Steve Moyer has grabbed 14 passes against Syracuse in the last two years . . . Head Coach Ben Schwartzwalder has not had a losing season at Syracuse since 1949.

Game Notes: The Panthers snapped a three-game losing streak at the hands of Army by defeating the Cadets 15-6 in 1969 . . . In that game Pitt broke a 6-6 deadlock by scoring a touchdown and field goal in the final period . . . The Panthers still hold a 9-5-2 series edge . . . Last season the Black Knights played a schedule that would rival Pitt's for sheer toughness . . . losses came at the hands of Nebraska (#1 ranked), Notre Dame (#2 ranked), Tennessee, and Eastern powerhouses Penn State, Syracuse, and Boston College . . . This season an improved squad and a more realistic schedule give the Cadets a brighter football outlook.

Game Notes: Although Penn State has won the last five games, Pitt still holds a narrow 35-32-3 in this rivalry which goes back to 1893 . . . The Lions are the oldest opponent on the Panther schedule . . . In last year's contest, returning halfback Lydell Mitchell rambled for 110 yards and his partner in the backfield, Franco Harris, rushed for 89 . . . The last time the Panthers beat the Lions was in 1965 when Pitt mounted a last-minute 60-yard drive and won 30-27 on a Frank Clark field goal with 3 seconds remaining.

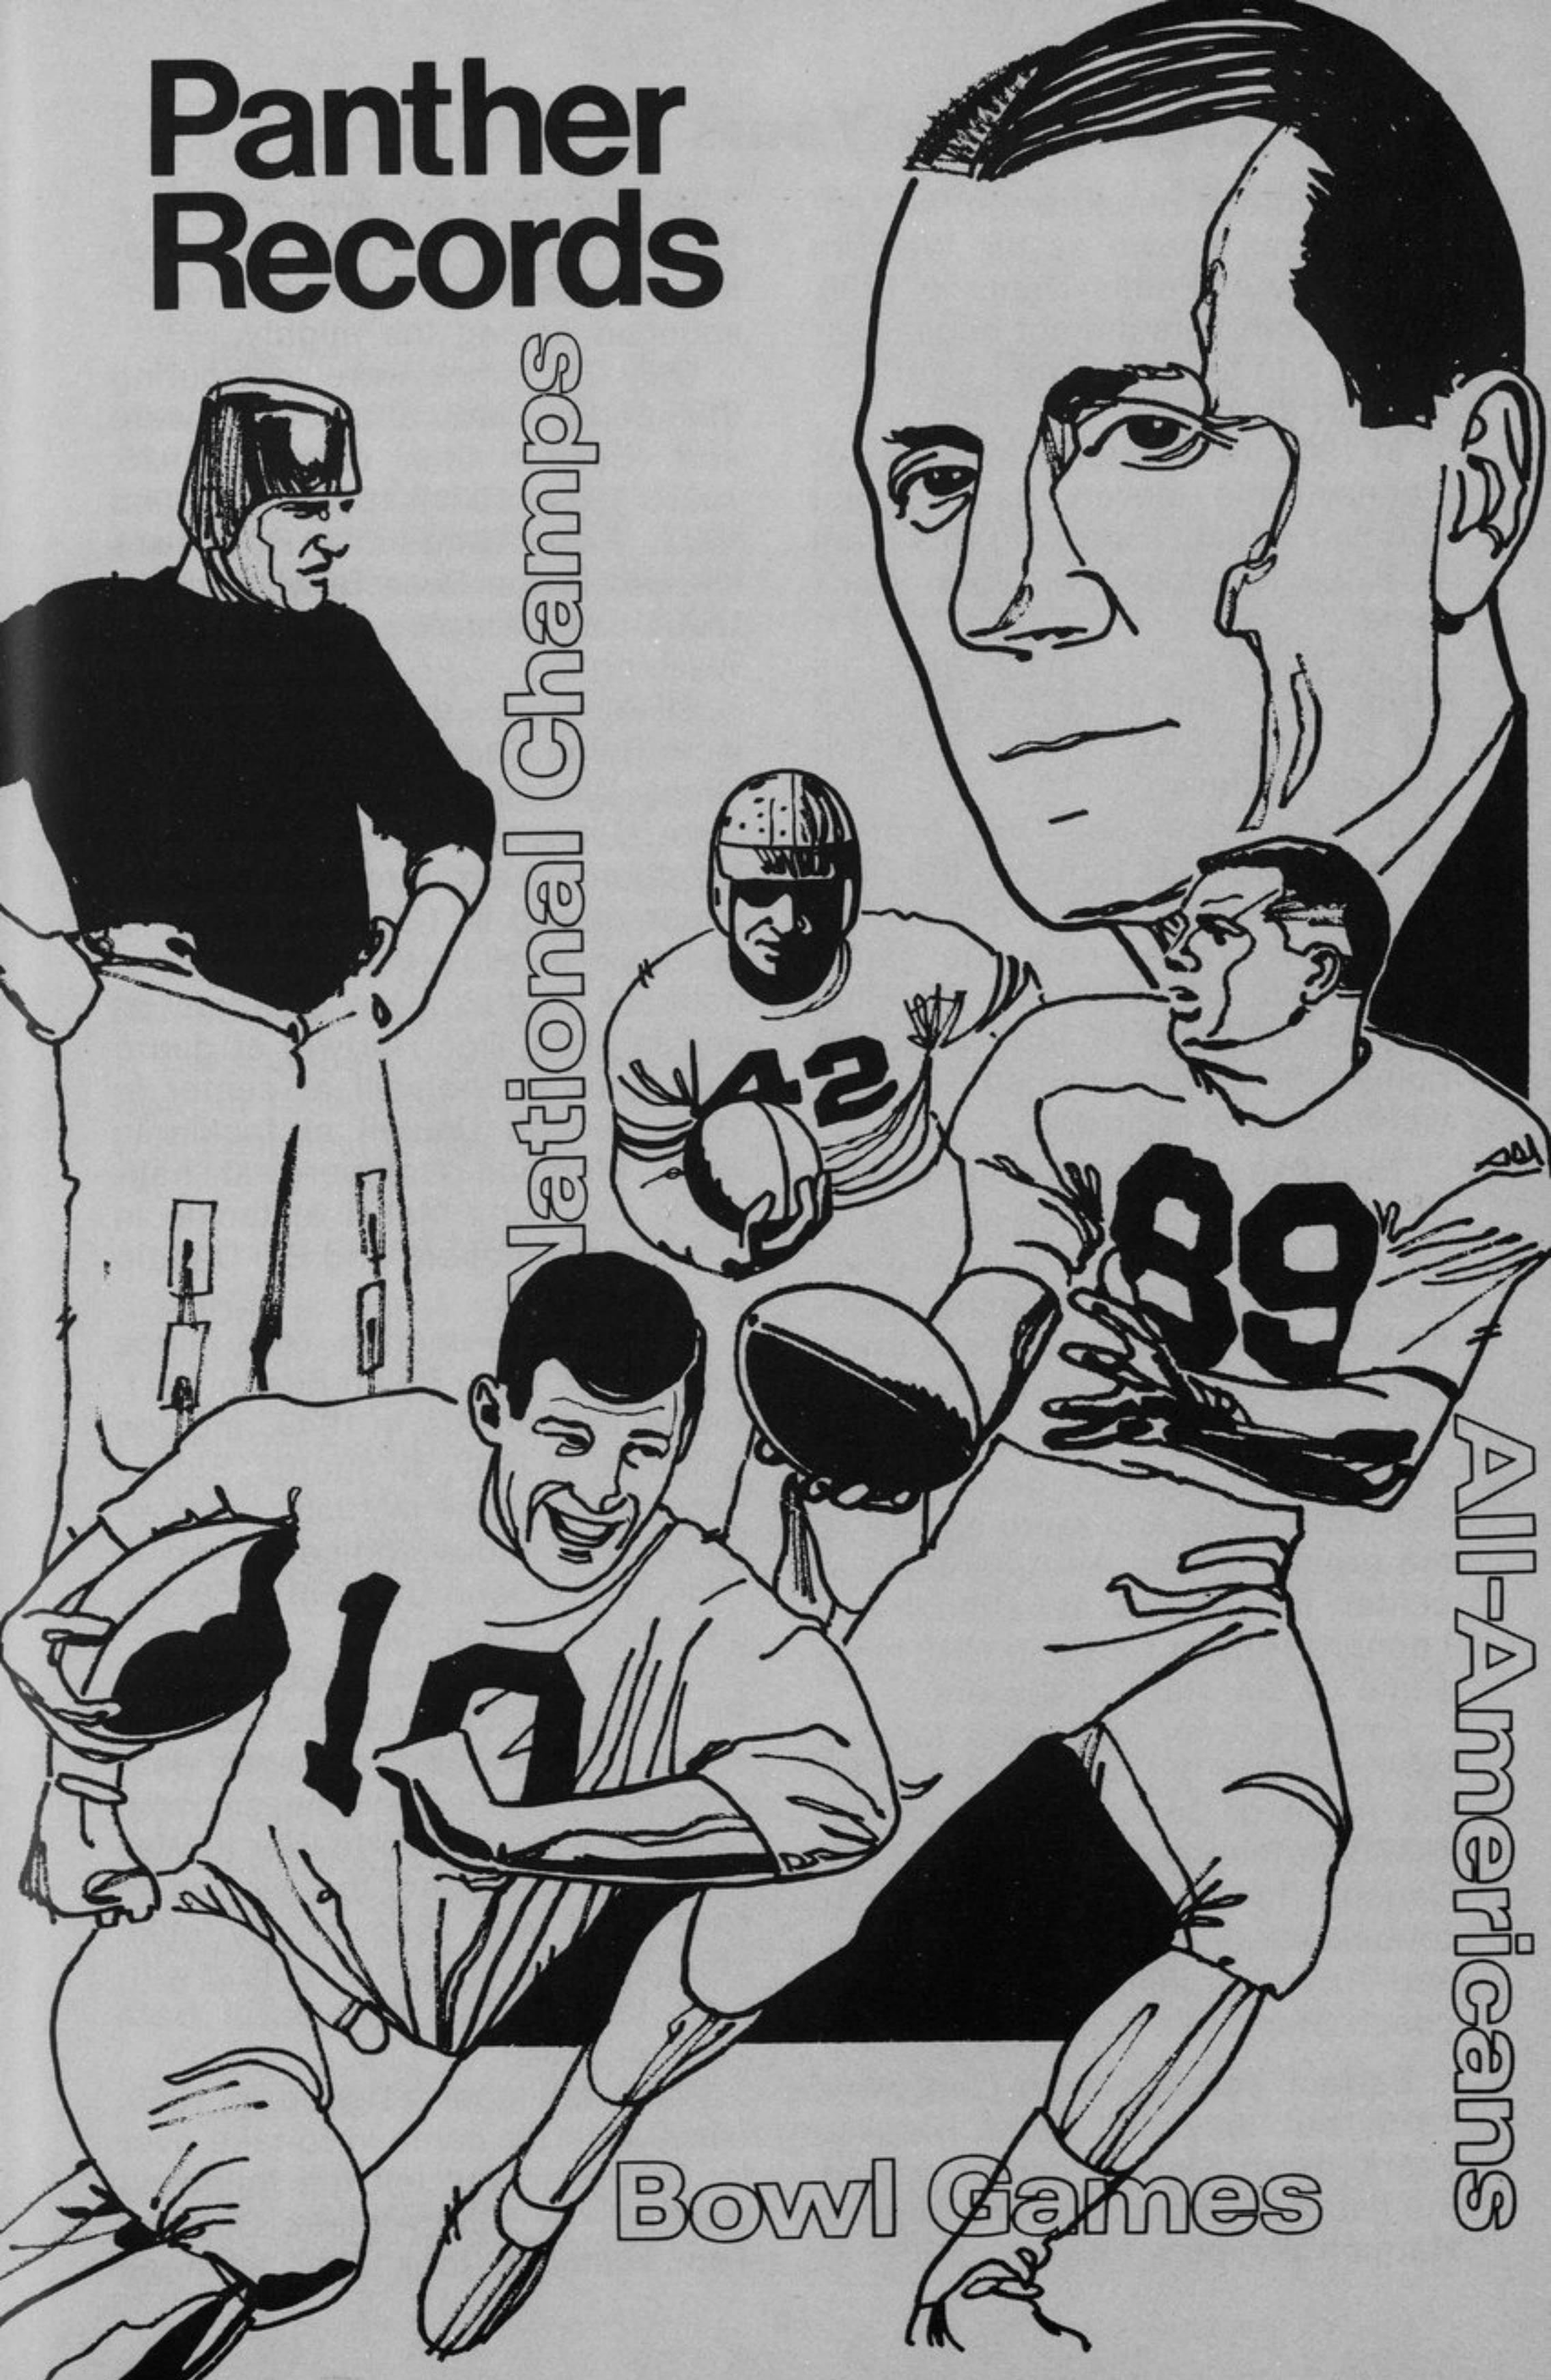
Pitt-Florida State Series in Brief

First Meeting

Panther Records



Eighty-One Years of Panthers

Pitt football began when the University was known as the Western University of Pennsylvania in 1890, but the Panthers did not begin their march into the front line powers for another decade.

In 1904 the Western University of Pennsylvania eleven, had its first winning streak. Sparking this team was Joe Thompson, of World War I fame.

He took over as coach after his graduation, and in 1910 turned out an undefeated, untied, and unscored on eleven.

In 1914 under Joe Duff, brother of the former U.S. Senator, the Panthers prepared for the event of Pop Warner, by losing only one game.

Not until mid-1919 did the Blue and Gold bow in intercollegiate competition. Thirty-two consecutive victories were recorded.

The 1916 Pitt team turned up with an innovation, for which millions of football fans have since given thanks. In addition to being undefeated, the Panthers, under Warner, were the first to wear numbers.

During this period the first All-American appeared. Bob Peck in 1915 and 1916, and rated as one of the great All-Time All-Americans at center, Tom Davies, at halfback and Leonard Hilty at tackle in 1918 were some of the stars of the era.

Famous then, and more famous later, were a big Scotch guard by the name of Jock Sutherland; the 1917 captain and end, Dr. H. C. Carlson, for 31 years head coach of basketball at his alma mater; and Tiny Thornhill, who went on to coach Stanford's Rose Bowl teams.

Perfect seasons were out after 1919, but they still were winning years. Herb Stein, a center, joined the list of All-Americas, and Harvey Harmon played a lot of tackle.

In 1924, Jock Sutherland began a 15 year regime, which started slowly but ended with the Panthers ensconced among the mighty.

Only 20 games were lost during this period, and another 11 were tied. Eastern titles came in 1925, 1927, 1929, 1931, 1932, 1934 and 1937. Four times the Panthers showed in the Rose Bowl, winning the final game in 1937 against Washington.

All-Americas during the period were Ralph Chase in 1925 at tackle, Gibby Welch at halfback in 1927, Mike Getto at tackle in 1928, Ray Montgomery at guard and Joe Donchess at end in 1929, Jess Quatse at tackle in 1931, Warren Heller at halfback in 1932, Joe Skladany at end in 1933, Doc Hartwig at guard and George Shotwell at center in 1934, Averell Daniell at tackle in 1936, Marshall Goldberg at halfback and Tony Matisi at tackle in 1937, and Goldberg and Bill Daddio at end in 1938.

On the All-America rolls since Sutherland were Ralph Fife in 1941, Bernie Barkouskie, in 1949, and Joe Schmidt, in 1952, all guards; Eldred Kraemer, a tackle in 1952, Joe Walton, a unanimous choice at end in 1956, guard John Guzik in 1958 and end Mike Ditka in 1960.

Sutherland left in 1938 and the Pitt power fell off for the next ten years. Charley Bowser was succeeded by Clark Shaughnessy who held sway during World War II. Wes Fesler brightened the picture in 1946, and was followed by Mike Milligan who turned in the first winning teams of a decade in both 1948 and 1949.

When Milligan resigned in 1950, Len Casanova came in to take over for that year, but left the following summer. In 1951 Athletic Director Tom Hamilton took over as head

coach, and then in January of 1952 Lowell Dawson was named.

Dawson won six including Notre Dame, Army, Ohio, Indiana and Iowa among the victims, and lost three.

In 1954 ill health caused him to give up football coaching in mid-season, and Tom Hamilton took over as head coach and put the team on a winning basis.

After the season he stepped down to turn the team over to Johnny Michelosen.

A 7-3 record, featuring decisive upset wins over Duke at Durham and over West Virginia before a capacity crowd in Pittsburgh, brought a Sugar Bowl invitation, and a close defeat by Georgia Tech at New Orleans that didn't hurt the Panther's national ranking.

The Panthers went to the Gator Bowl in 1956, after a 7-2-1 season, and again lost to Georgia Tech 21-14.

In 1957, Pitt was 4-6, in 1958, 5-4-1, in 1959 finished with a 6-4 record and had a 4-3-3 record in 1960.

In 1961, Pitt was 3-7, the most disastrous record since 1951. In 1962, the record was 5-5.

In 1963, Pitt finished with a 9-1 mark and was ranked third in the country.

After losing seasons in 1964, 3-5-2, and 1965, 3-7, Michelosen was succeeded by Dave Hart.

Hart undertook an extensive recruiting campaign and quickly gained the reputation as one of the finest recruiters in Pitt history. Unfortunately, the squads did not perform well on the field, and he resigned after three years and a 3-27 record.

He was replaced in 1969 by former Pitt player and assistant coach, Carl DePasqua, who in two years brought the Panthers back to respectability with 4-6 and 5-5 records.

Pitt Hall of Fame Awardees

Thus far the University of Pittsburgh has had five players and one coach elected to the National Hall of Fame. Jock Sutherland, a great guard from 1914 through 1917, and Pitt's brilliantly successful coach from 1924 through 1938, was elected in 1953 being among the first coaches named.

In 1954 Bob Peck, Pitt's first All-American (center in 1915 and 1916), was elected as the first Pitt player to have his name placed on the honor roll.

In 1958, Marshall Goldberg, an All-American halfback in 1937 and an All-America fullback in 1938, was elected.

In 1965, George McLaren, an All-America fullback in 1917 and 1918, was elected.

In 1967, Herb Stein, an All-America center in 1921, was elected.

In 1970, Tom Davies, an All-America halfback in 1918 and 1920, was elected.

Jock Sutherland

Dr. John Bain (Jock) Sutherland was a great player and coach at Pitt.

Entering Pitt within a few years after he left his native Scotland he was a regular guard on the great Pitt teams of 1914-1917, teams that lost but one game during the entire period.

Upon graduation, with a dental degree in 1918, he went into the service, coached the Camp Greenleaf Team with the AEF, then came back to the coaching job at Lafayette. Four years later, in 1924, he replaced Pop Warner at Pitt, and after getting the foundation laid, put the Panthers back into the first line again.

There were national titles in 1927, 1929, and 1937; eastern honors in 1925, 1927, 1929, 1931, 1932, 1934, 1936, and 1937. Rose Bowl appearances in 1928, 1930 and 1933, climaxed with a win in 1937. All-Americas were turned out with regularity during this period.

Leaving Pitt in 1939, he coached Brooklyn in 1940 and 1941, then went into the Navy. Upon his return he took over the Pittsburgh Steelers, giving them their greatest days, until his very sudden death in the spring of 1948.

Bob Peck

Bob Peck was Pitt's initial first team All-America, being selected by Walter Camp in 1915 and 1916. In both of these years Pitt was undefeated, and in his sophomore year, 1914, the Panthers lost only one game.

He was captain of the 1916 Pitt team that is rated among the greatest of all time, both at Pitt and in the nation. Playing under Pop Warner, Pitt's coach during his last two years, he was a terrific roving center of the old variety, and an accurate

passing center who could lead the speedy Pitt backs on the famous single and double wing attack which Warner was then perfecting.

After his graduation he moved to Culver Military Academy where he was athletic director and head coach until his sudden death in 1934.

Marshall Goldberg

Marshall Goldberg came to Pitt from Elkins, West Virginia, and for the three years of his varsity career was the most highly publicized and popular back in Pitt history. These three years, coincidental with Jock Sutherland's last three as Pitt's head coach, saw the Panthers win a national title, a Rose Bowl game, and two eastern championships.

In two years as the regular left halfback Goldberg was the leading scorer and leading ground gainer, and then, moving to fullback with the famous Dream Backfield of 1938, he became a terrific blocker and power back, despite his relative lack of weight (185). He was a defensive expert during his three years and starred at this phase when he went into pro ball.

On campus he was a member of Phi Epsilon Pi, national social fraternity, and ODK, national honorary leadership society.

Upon graduation he played pro ball and was in the insurance business in Chicago, served nearly four years as a line officer in the Navy, and then finished his pro career with the Chicago Cardinals when they won their first title. He is president of the Goldberg-Emmerman Corp. in Elk Grove Village, Ill.

George McLaren

George McLaren, who came to Pitt from Peabody High School, is considered the greatest fullback in the school's history.

He played four years, 1915-1918, and during this period, the Panthers compiled a 29-0 record. McLaren was captain of the 1918 team. McLaren scored 13 touchdowns in 1917, a school record, and also holds the one-season rushing mark by a Pitt fullback with 782 yards. He also holds the longest run from scrimmage, 92 yards in 1917. He was never stopped without making a gain during his intercollegiate career.

McLaren also was a member of the basketball team for two years and a performer on the track squad for two campaigns.

McLaren now resides in Baltimore, Maryland, and is retired.

Herb Stein

Herb Stein came to Pitt from Warren, Ohio, and for four years was one of the greatest offensive and defensive centers in Panther history.

A member of the great "Pop" Warner teams in 1918-21, he was named as a first-team All-American in 1921. During his four years, Pitt won 21, lost five and tied four. His brother, Russ, was also an All-American tackle at Washington & Jefferson.

Now a highly successful business executive, Stein owns and operates nine corporations. He resides in Cleveland, Ohio.

Tom Davies

A two-time All-American halfback, Tom Davies ranks as one of Pitt's greatest backs. After prepping at Kiski, Davies entered Pitt in 1918 and was named on the late Walter Camp's All-America team as a freshman under Glenn Scobie (Pop) Warner. Davies was a regular for four seasons and was again named All-America in 1920. He holds three Pitt punt return records and ranks second in the all-time total yards gained department with 3,931 yards.

Following graduation from Pitt, Tom spent 25 years as a coach at Penn, Geneva, Allegheny, Rochester, Kiski, Scranton and Western Reserve.

A retired insurance executive, he keeps his interest in the gridiron sport by serving as treasurer of the Curbstone Coaches in Pittsburgh.

This Is The University of Pittsburgh

Almost a decade after the American Revolution, a few men met in a log house near the confluence of the Allegheny, Monongahela and Ohio Rivers to plan a school which would teach "more than just the first elements."

That school, the Pittsburgh Academy, was the forerunner of the University of Pittsburgh. It was chartered on February 28, 1787—within months of the drafting of the U.S. Constitution—and its founding principal was Judge Hugh Henry Brackenridge. The earliest written record of the curriculum dates from 1789 and lists "the Learned Languages, English and the mathematicks." Pittsburgh had a population of some 400 people when this first school of higher learning west of the Alleghenies was established. It was housed in a log cabin located in what is today's downtown Pittsburgh.

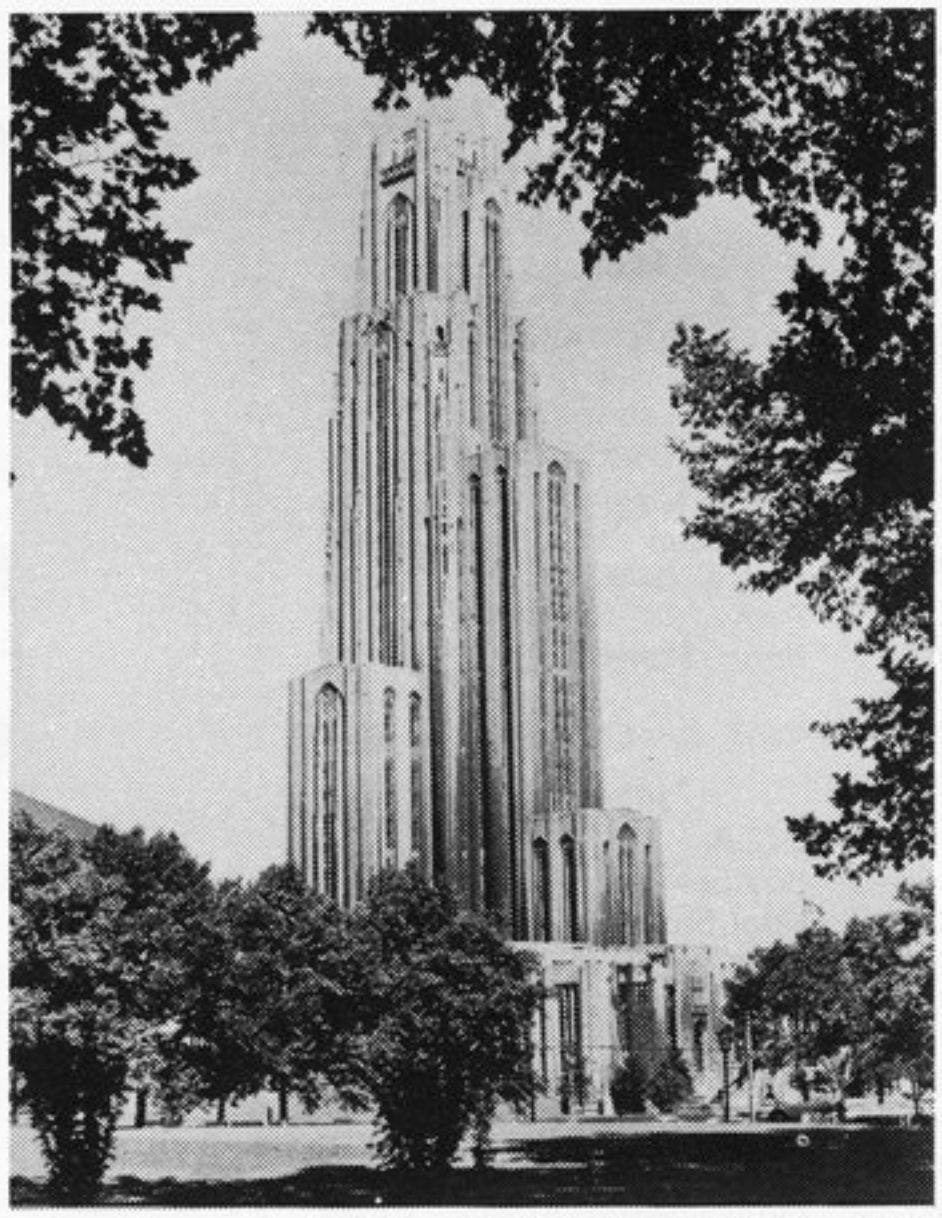
Over the years, Pitt became heavily oriented to its own backyard and to the education of great numbers of commuting students. "Trolley College" sprang up and stuck as a nickname for the school that welcomed droves of students who descended from orange, and later red trolley cars.

With Edward Litchfield in 1955, came a concerted effort to discard the nickname in an across-the-board pursuit of academic excellence that would project Pitt into a position of prominence among the great institutions in the nation and world. Litchfield upgraded student standards, sought and won large numbers of distinguished faculty, doubled salaries and, after five years, doubled the size of the faculty. He introduced an international dimension, and encouraged a cosmopolitan mix in the student body for he felt the university would best serve its region by adopting a world view.

He launched a massive building program, acquired jealously guarded urban property, established interdisciplinary centers and enriched the university's programs to the point where many of them not only challenged but also bettered those offered in the world's top universities.

In 1965, after suffering a minor heart attack, and under fire for a financial crisis, he resigned.

Under the leaderships of two interim chancellors—Stanton Crawford, who died in office, and David Kurtzman—Pitt entered into private-public partnership for financial support and became state-related. This increased the measure of state support and provided a tuition supplement to enable Pennsylvania students to attend the university for a low out-of-pocket outlay.



In June of 1967, Wesley Posvar became the 15th chancellor. Of the financial difficulties that had preceeded him and of solution, he said: " . . . (they) may someday be regarded less as deviations than as forerunners of financial trends elsewhere in American higher education."

Today Pitt is a complex of 14 schools, 87 departments, and 10 special centers. It is private, state-related, and non-sectarian. It has some 31,000 students on the Oakland campus and four regional campuses; it employs a total of 5,478 full-time persons, including 1,900 full-time faculty members; it is the second largest employer in the city limits of Pittsburgh; it has 486 part-time faculty and more than 1,465 part-time technical and professional personnel. Each year, the faculty teaches more than 550,000 credit hours and carries out nearly $24 million worth of sponsored research. (In recent years the university has been the site of three significant scientific accomplishments: the Salk polio vaccine, developed and tested at Pitt by Dr. Jonas Salk in 1953; the synthesizing of ACTH by Dr. Klaus Hofman, in 1961; and the discovery of synthetic insulin by Dr. Panayotis Katsoyannis in 1964.) Current construction projects on the Oakland campus alone are valued in excess of $30 million.

In his inaugural address on March 27, 1968, Dr. Posvar pointed to the future:

"The university, because it is more stable and more independent than governments and corporations, will become the creative eye for the new society—for its communications systems, its social patterns, and its political and economic structures."

"This I submit to you, is the keynote of the next major stage of advancement of the University of Pittsburgh."

Memo to Press-Radio-TV

PRESS BOX: Due to lack of space, accommodations in the press box will be furnished only to representatives of Pittsburgh district papers, and from metropolitan papers filing for Sunday editions, press services, Pittsburgh radio and TV sports commentators, and scouts from schools playing either Pitt or its opponent. Requests should be made in advance, indicating whether or not Western Union services will be needed during or after the game. Those coming to the press box should have cabs take them to Gate #23, to avoid climbing hills. This is located behind Pennsylvania Hall of the School of Medicine.

PHOTOGRAPHERS: Sideline passes will be issued to Pittsburgh papers, news services, daily papers normally covering the opposing team, and student publications of the two schools. Photographers may not work in front of the bench and must stay behind the line and obey the instructions of the officer detailed to the area. Space in the photographers stand is reserved for newspapers in the same manner as field passes, and also for newsreel and game movie cameramen. This space must be requested in advance to insure adequate space. Field photographers should enter Gate #3. Photographers covering from the stand should use Gate #9.
